

LUNCH CATERING MENU

The Chopping Block's catered, drop off lunches are the perfect choice for feeding a group of employees or a crowd of clients. We will deliver right to your office or showroom in the Merchandise Mart, or we can also serve you in one of our kitchens if you need to get your team out for a meeting and working lunch.

Our custom catered dishes are attractively displayed on a disposable platter or bowl, complete with disposable serving tools, silverware, plates when needed, and napkins.
